DE VERE

LATIMER ESTATE

YOUR LOCAL COMPANION

De Vere Latimer Estate is one of our best-kept secrets, set deep in the heart of Buckinghamshire.

Home to military intelligence during World War II, today this elegant mansion house combines rich history with 21st century comfort and style. And with surrounding areas that have plenty to offer, it's a setting for stories both old and new. Here, our team give us a few of their favourite local attractions.

OUR FOOD & BEVERAGE MANAGER

One of our finest country neighbours, the Manor has been attracting visitors since 1460, including Henry VIII and Queen Elizabeth I. Bernadetta recommends you follow in their footsteps and enjoy their stunning formal gardens and grounds.
